Professional Summary

Results-driven B.Tech Information Technology student with knowledge of full-stack development (HTML, CSS, JavaScript, Node.js) and machine learning concepts. Developed an AI-based Deepfake Image Detection system using Convolutional Neural Networks (CNN). Strong analytical thinking, problem-solving skills and passion for learning modern technologies.

Technical Skills

Programming: Python (Basics), C

Web Development: HTML, CSS, JavaScript

Database: MySQL

Tools: Git, Github, Visual Studio Code, Jupyter Notebook

Operating Systems: Windows, Linux

Projects

1.AI-Based Deepfake Image Detection Using CNN

- Developed a deep learning model to classify facial images as real or fake using Convolutional Neural Networks (CNN).
- Performed image preprocessing including face detection, resizing, and normalization.
- Implemented the model using TensorFlow and Python.
- Evaluated performance using accuracy, precision, recall, F1-score, and confusion matrix.

2.Simple Web Calculator

- Developed a calculator using HTML, CSS, and JavaScript.
- Implemented basic arithmetic operations with a user-friendly interface.

Education

B.Tech in Information Technology - Vignan Institute of Technology and Science , Hyderabad

CGPA: 8.7 | 2023 – Present

Intermediate (MPC) - Narayana Junior College , Hyderabad ,Telangana

Percentage : 98.3% | 2021-23

Secondary School Certificate (SSC) - Greenwood School , Huzurnagar , Telangana

Percentage : 100% | 2020-2021

Certificates

- Artificial Intelligence Fundamentals - IBM SkillsBuild
- Intoduction to HTML5 & CSS3 (2024) -Infosys Springboard
- Introduction to Python (2024) -Infosys Springboard

Strengths

- Quick learner with strong interest in learning new technologies.
- Honest and responsible individual with strong work ethic.
- Good communication and teamwork skills.

Weakness

- Need improvement in advanced technical skills
- Sometimes spend extra time debugging small errors
- Reluctant to assign tasks to others

Soft Skills

- Consulting : Executive Presentation Leadership
- Communication skills
